

File No. J-17060/59/2018DDU-GKY
Government of India
Ministry of Rural Development
Rural Division

Dated: 10th April, 2019

Notification No: 7 / 2019

Subject: Rollout of ERP System (Kaushalbharat.gov.in)

It is hereby informed that Ministry has developed an ERP System (Kaushalbharat.gov.in) and mobile app for inspection for DDU-GKY program with the help of NIRD-PR and testing of the ERP system with representatives from various stakeholders has been completed. Now Ministry has decided to rollout this ERP system in all States for new projects effective from 15th April 2019. The mobile app for inspection shall also be rolled out for inspections effective from 15th April 2019, across all States.

2. State-wise Legacy data of projects shall be migrated in ERP system in a phase wise manner.
3. This ERP system will be available as free of cost to all States.
4. Kaushalbharat ERP System has also been integrated with KaushalPragati/MPR system through API integration and it would push required details in KaushalPragati/MPR system on regular basis.
5. The workshops for training on ERP system shall be organized by NIRD-PR.
6. This issues with the approval of the Competent Authority.
