SSC mandate for Skill Development

As per National Skill Development Policy 2015, National Skill Development Corporation (NSDC) would constitute SSCs with following functions:

- ✓ Identification of skill development needs including preparing a catalogue of types of skills, range and depth of skills.
- ✓ Development of a sector skill development plan and maintain skill inventory.
- ✓ Determining skills/competency standards and qualifications and getting them notified as per the NSQF.
- ✓ Standardization of affiliation, accreditation, examination and certification process in accordance with the NSQF
- ✓ Participation in the setting up of Affiliation, accreditation, examination and certification norms for their respective sectors.
- ✓ Plan and facilitate the execution of Training of Trainers along with NSDC and States.
- ✓ Promotion of academies of excellence.
- ✓ Will lay special emphasis on the needs of the ST/SC, differently abled and minority populations in the fields of employment and employability.
- ✓ SSCs shall ensure that the persons trained are assured of finding employment at decent wages.
- ✓ Conduct skill based assessment and certification which is based on QP and NOS developed for respective sectors.
